Automated External Defibrillation (AED)

→ IQL Level 2 🕒 1.5 hours bolt-on / 4 hours stand-alone 📅 2 years validity

What is AED?

IQL Level 2 Award in Automated External Defibrillation - AED.

Designed to provide candidates with the knowledge, skills and confidence to be able to deal with a casualty suffering from a cardiac arrest, give Cardio Pulmonary Resuscitation and use an Automated External Defibrillator.

AED is part of the guidelines for Cardio Pulmonary Resuscitation (CPR) in the UK and Europe and a vital part of improving the chance of survival in cases of cardiac arrest, in some cases up to 75%.

Subjects covered

- Assessing an incident
- Managing an unresponsive casualty
- CPR including AED
- Pock mask
- Recovery position
- Safety consideration with an AED
